

NRA Basic Pistol Training

8 Hours

Classes start at 8:00 AM

Cost for class: \$100.00

- 22 cal. Target pistol and ammunition is included for the class.
- Introduction to safe gun handling and shooting safety.
- Opportunity to learn hands on about various types of handguns and operation.
- Introduction to various types of ammunition and uses.
- Opportunity to fire various types of pistols and learn advantages of each.
- Beginners welcome. No shooting experience necessary.
- This NRA Basic pistol class is a required prerequisite class for the NRA Personal Protection in the Home, and NRA Personal Protection Outside the Home classes.

All training and shooting is taught on private property (near Augusta airport) away from any other distractions. Classes are small with no other shooters present.

Safety Is The Number One Concern

All training places emphasis on safety first.

Beginners are welcome and encouraged to sign up.

If you have a gun and ammo available bring it to the class and we will help you learn how to shoot it.

If you are thinking about purchasing a gun we will give you the opportunity to try out various guns and evaluate the advantages and disadvantages of various guns and purposes before you buy.

What to bring: Guns and ammo (if available), eye and ear protection (if available), beverages if you wish (no alcohol), and clothing for the weather conditions. Shooting will be outdoors.

Please call if you have any questions. 316-651-7877 - Greg Rupp
