

## NRA First Steps Shotgun Orientation

### 3 to 4 Hours

Saturday classes start at 8:00 AM

Sunday classes start at 1:00 PM

Cost for class: \$50.00

- Clay Targets and Ammunition included for the class.
- Introduction to safe gun handling and shooting safety.
- Opportunity to learn hands on about a specific type of shotgun (learn your own gun or ours).
- Introduction to proper ammo for a specific shotgun and selecting ammunition.
- Beginners welcome. No shooting experience necessary.

This class is designed to help you learn the basics of shooting a specific type of shotgun. If you have your own shotgun you can bring it and we will teach you how to shoot that gun. If you do not have a shotgun, we will have guns available for you to learn and shoot.

All training and shooting is taught on private property (near Augusta airport) away from any other distractions. Classes are small with no other shooters present.

#### Safety Is The Number One Concern

All training places emphasis on safety first.

Beginners are welcome and encouraged to sign up.

If you have a gun available bring it to the class and we will help you learn how to shoot it.

If you are thinking about purchasing a gun we will talk with you about some things to consider before you make the purchase.

What to bring: Guns (if available), eye and ear protection for shooting, beverages if you wish (no alcohol), and clothing for the weather conditions. Shooting will be outdoors.

Please call if you have any questions.
